Walker Jones is a member of the Augusta Lions Club in Georgia, MD 18-N.

He is is a passionate advocate, public speaker and content creator who is not just navigating life with blindness but helping others see it in a whole new way. Diagnosed with Usher Syndrome, Walker now has only a small fraction of his vision left, but that has never stopped him from living life boldly or aiming to make a difference.

With his Leader Dog Loki by his side, Walker walks with strength, faith and a message the world needs to hear. He speaks from experience, turning pain into purpose and obstacles into opportunities to educate.

Walker is a proud father, a creator and a passionate educator who believes that life's greatest hardships can become our greatest purpose. Whether it be public speaking, collaborating with Leader Dogs for the Blind, or creating videos that reach across the internet, Walker's message is clear; blindness is not the end.

We are looking forward to having a large representation from your Lions Club.

We will have a live auction again this year.

If you have items for the auction, please call Rachel Graham 410-596-3641 or e-mail her at rgraham0527@yahoo.com by **April 21st** to let her know what you have and bring them to the Leader Dog Banquet on April 30, 2026
