

Lion Zone, Region, & District Workshop for All Lions

Last January 20th our district hosted a “Brown Bag” training opportunity. Although it was only 5° F, nineteen Lions and three instructors participated in a day of leadership learning. The consensus was that the training was valuable, but it was cold and had snowed the night before. With the encouragement of our 2024-2025 District Governor Susan Cox, we will hold a follow-up training on a warm Saturday, July 13th in the Myersville Fire Hall training room, 301 Main Street, Myersville, Maryland 21772. It will begin at 9:00 a.m. and last until 3:00 p.m. with no cost to you or your club.

Lions from every level including club, zone, district and multiple district would benefit from attending. No prior or future commitment is required. The training is open to all Lions no matter their position. We have instructors trained by Lions International using curricula developed by the Leadership Development Department of our international organization.

- We will review zone/region chairperson responsibilities as well as information about resources available to help support incoming zone chairpersons.
- We will conduct an in-depth exploration of SMART Goal Setting and Action Planning.
- We will focus on problem-solving.
- We will review assessing club health.
- We will hold a discussion of cabinet positions including Cabinet Secretary, Cabinet Treasurer, Vice District Governor, and District Governor.
- We will discuss the roles of district coordinators.

YOU should attend to better serve your club and your district. You should attend to learn the duties, roles, and responsibilities of cabinet officers and district coordinators. This training will help improve problem solving skills, goal making skills, and the ability to develop and use plans to achieve the actions your club needs. To be a better leader we all need training and experience. We can provide the first two, but we need **YOU**.

Leadership does require you to have the proper training and experience. Please join us on July 13, 2024. Please email join22wlions@gmail.com to secure your place in the class.
