

WE SERVE

With nearly 1.5 million men and women who are active in community projects in more than 48,000 clubs in over 212 countries and geographic locations, Lions Club International is the world's largest service organization. In 1925, Helen Keller challenged Lions to become "knights of the blind in the crusade against darkness," and we accepted. Today, sight programs remain one of our defining causes.

For the 23rd year, local Lions Clubs - Deer Park, Freedom District, Greater Carroll, Roaring Run, South Carroll and Taylorsville-Winfield - are joining forces to raise funds for the **American Diabetes Association® (ADA)** and the **Lions Vision Research Foundation, Inc. (LVRF)**. New this year is **Abby's Carts of Courage (Pediatric Cancer)**.

Lions support local and wide-scale efforts to control and prevent diabetes and diabetic retinopathy, the leading cause of vision loss in U.S. adults. The mission of the **ADA®** is to prevent and cure diabetes and improve the lives of all people affected by diabetes. The primary purpose of the **LVRF** is to support low vision research and rehabilitation to minimize the disabilities caused by low vision and blindness, education, and patient care in low vision (uncorrectable vision loss).

**Abby's Carts of Courage** gifts children with cancer a new wagon to help them maneuver through their cancer journey. Filled with items to help keep their mind off their diagnosis and refuel their spirits, these gifts are a true blessing to both the child and their caregivers. Each wagon comes packed with a variety of comfort items such as blankets, slippers, nightlights and heating packs, many of which are hand-picked by Abby based on surveys each recipient fills out.

All funds raised at this golf tournament will be used exclusively for these organizations. Your support makes a difference in the lives of those affected by diabetes, low vision and pediatric cancer. By joining your local Lions Club you can bring about positive changes in your community.
